

YOUNG ARBITRATORS FORUM

PROGRAM

ENERGY DISPUTES: WHAT THE FUTURE HOLDS FOR RENEWABLE ENERGY ARBITRATION CASES IN SPAIN

Madrid, 21 June 2017 at 18:30

At the occasion of the *International Arbitration Seminars & Courses* (IASC) that will be held in Madrid from June 19 to 24, 2017, the ICC Young Arbitrators Forum (ICC YAF) is organizing an event open to students and young professionals. The program will consist of a lively roundtable discussion on energy disputes, focusing on the investment arbitration proceedings brought by foreign investors in the Spanish renewables sector, and will be followed by a cocktail reception.

This event is free of charge. Previous registration is required.

Venue: Instituto Superior de Derecho y Economía (ISDE), Calle Recoletos 6, Madrid
