Workshops

Workshop on Oral Advocacy

Venue: Hogan Lovells

In order to prepare their oral arguments for the Mock Hearings Rounds, participants had the chance to learn how to present their case before the arbitral tribunal and to examine witnesses.

IASC Training: Cross Examination

Venue: Pérez-Llorca

Hearings

Our participants had the unique opportunity to prepare a case and present oral arguments as claimants and respondents during the Mock Hearing rounds.

An entire week of lectures and workshops ended in an exciting morning at Universidad Carlos III of Madrid, where the teams played their roles as co-counsels, simulating a real arbitration proceeding.

Students successfully overcame the challenge of analyzing the legal issues contained in the mock case and the best teams for claimant and respondent met in a final hearing round.
